Science Council consultation on draft principles and guidelines for un-commissioned third-party evidence

- **Consultation Status:** Closed
- **Duration:** from midday **Monday 22 March 2021** to midnight on **22 April 2021**

The FSA Science Council held a consultation on their draft principles and guidelines, which outline minimum standards expected for un-commissioned evidence sent to the FSA.

The consultation responses are provided below along with the Science Council response.

If you have any questions about the process, or the principles and guidelines themselves, please email the [Science Council secretariat](#).
