

Working Group 1 on science capability and assurance

The Science Council Working Group on science capability and assurance was established in June 2017 and reported in July 2018.

Final Report

The final report from the Science Council Working Group on Capability and Assurance was provided to the FSA in July 2018.

The Working Group asked for an internal staff survey report to be published alongside the Working Group final report, as the findings of the survey provide some internal validation to the Working Group's findings.
