Summary

1. Science Council members are asked to:

- review the most recent version of the [Science Council Register of Interests](#) and;
- update them as of the date of this open meeting **by the 30 June**.

Introduction

2. FSA Scientific Advisory Committees are required to keep a register of interests that may be relevant to their current committee work according to the guidance “[The FSAs Approach to Managing the Interests of its External Scientific Advisers](#)”.

Discussion

3. Science Council members are asked to review the latest update of the [Science Council Register of Interests](#) and update as required.

3.1 Council members are reminded that at the beginning of any Science Council meeting in which they are participating, they should flag any potential conflict of interests they may have with the items on the agenda.
