Summary

1. Science Council members are asked to:

- review the draft minutes produced for the 10th Science Council meeting;
- Endorse them as final for the record.

Introduction

2. At each Science Council open meeting the Council members are required to confirm if the notes of the last open meeting are final, so they can then be published as such.

2.1. The minutes of the last Science Council meeting have previously been circulated shortly after the meeting and revised taking on board members' feedback.

Discussion

3. Science Council members are asked to confirm as final [the draft minutes of the 10th Science Council meeting](#) or identify any changes required for it to be finalised.
