Summary

Science Council members are asked to note delivery against actions from the last Science Council meeting.

Introduction

1. At the last Science Council meeting several actions were recorded with associated milestone dates.
2. **Annex 1** contains the actions and progress in delivering those actions for the public session of the last open meeting.
3. **Annex 2** contains the actions and progress in delivering those actions from the closed session of the last open meeting. **Annex 2 will not be included in the papers made available to the public for the upcoming open meeting.**
4. **Annex 3** contains the actions and progress in delivering those actions from the last closed project meeting held by the Science Council (15 September 2022). **Annex 3 will not be included in the papers made available to the public for the upcoming open meeting.**

Recommendation

1. Science Council members are asked to note delivery against actions from the last Science Council meeting.
