# Science Council 2025 meetings

## Open Meetings and Project Workshops

**‘Artificial Intelligence (AI) in food assurance’ project workshop was held on 9 June 2025.**

Science Council hosted an expert elicitation workshop with experts across a range of sectors including academia, the food manufacturing and AI industry to discuss the use of AI in food safety assurance. A report of this project will be published in Autumn 2025 and will highlight recommendations on the use of AI in food safety.
