# FSA Extraordinary Board Meeting 8<sup>th</sup> May 2019

## FSA 19-05-01

### **FOOD HYPERSENSITIVITY AND THE GOVERNMENT'S ALLERGEN LABELLING REVIEW**

The Board agreement on the wider approach to food hypersensitivity included approaching the Science Council about conducting a review of the science and evidence base for addressing food hypersensitivity, the part the FSA and others should play in enhancing knowledge, and a view on priorities.

# FSA Board meeting 19<sup>th</sup> June 2019

## FSA 19-06-05

### UPDATE ON FSA'S WORK ON FOOD HYPERSENSITIVITY AND THE GOVERNMENT'S ALLERGEN LABELLING REVIEW

A wide ranging review of the evidence base and research landscape is already underway to support future strategic decisions

*The Science Council will be conducting a closed workshop to consider how it can further support the FSA and consumers in the space.*
